Good writing is key to a classical education

The Hacienda campus of Emerson Montessori School is a different kind of school. It shapes strong, competent, self-confident individuals, not students who would rather "follow the crowd."

Emerson Montessori takes an innovative approach to classical education. Students progress at their own pace through skill subjects and learners are never pushed beyond their capabilities or held back to wait for others. Larger, flexible classrooms provide students with their own cubicles and computers, as well as small-group and large-group work spaces.

The curriculum — built on a Montessori foundation — is designed to develop a complete human being. It includes art, music, Chinese, Spanish, economics and business,

physical education, school tasks, and personal development.

During the summer, the school is an ideal camp environment to improve student writing, an activity requiring both specific skills and the motivation to improve them. The Write Now! program fosters pride in student work by emphasizing what is valuable about it and how each draft represents an improvement over the previous one.

Summer @Stratford 2023

Experience AWESOME

A summer full of possibilities!

Summer@Stratford... It's not just a Camp...it's an Experience!

We've designed the perfect camp for your child, complete with all the fun, enriching activities they love, and the important safety measures and flexible hours you expect. And with many options to choose from, campers will have endless, AWESOME experiences to keep them engaged and excited all summer long.

Academic Camps

Academic camps are a wonderful way to enhance your child's love of learning while focusing on a specific subject. From math and robotics to literature and creative writing, we have something for every student. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Specialty Camps

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

Day Camps

Each week, students in Kindergarten through Grade 5 jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our camp features a unique selection of indoor and outdoor activities and field trips that take advantage of resources in the local area.

Sports Camps

Our rigorous sports camp promotes skill building, exposes children to new activities, and helps build healthy exercise habits. We bring sports specialists from around the area to help each camper improve, practice, and play each sport.

Campers can enjoy sports and games, exciting STEM projects, arts, crafts, music, dance, drama and more. Just wait until you see what they're capable of! Find out more by visiting us online at stratfordschools.com/summer.
